

South Carolina Junior Academy of Science (SCJAS)

Winter Workshop

Saturday, January 30, 2010

South Carolina State Museum, Columbia, S.C.

Co-sponsored by the South Carolina State Museum, the South Carolina Junior Academy of Science (SCJAS), the South Carolina Academy of Science (SCAS), and the South Carolina Research Authority (SCRA)

A Celebration of Science Research

2010 Theme:

“Science Careers for the Future”

Guest speakers

Dr. Tom Vogt (University of South Carolina)

“Emerging Careers In Nanotechnology”

Dr. Tim Jur (Engineering Design and Testing)

“Why do Systems Fail? The Ultimate Technical Challenge”

State Museum Special Programs and Traveling Exhibits:

“Dinosaurs: Mesozoic Monsters” – An amazing 6500 square foot exhibit that features twenty fearsome robotic dinosaurs including Triceratops, Allosaurus, Stegosaurus, and Deinonychus!

“Deadly Medicine: Creating the Master Race” – This exhibit examines the eugenics program that formed the scientific basis of Hitler’s efforts to build a nation of superior Aryan beings!

***Guided Tours** – Highlights of the State Museum!*

***Panel Discussion** – Science Careers for the Future!*

***Presentations** – By the Savannah River National Laboratory (SRNL), DHEC, US Geological Service (USGS) and others!*

College and University Fair

More than twenty colleges and universities from throughout South Carolina and surrounding states will have their recruiters present and dozens of science programs will be represented including the health sciences, applied sciences, environmental sciences, engineering, biology, chemistry, and physics!

Contests:

***SCJAS Challenge Bowl** – Novice and Expert divisions!*

***State Museum Science Scavenger Hunt** – Fantastic prizes!*

And much, much more! **Register now before January 15, 2010!**

This workshop is open to all students in South Carolina grades 7-12!

For more information about the workshop and organization visit the South Carolina Junior Academy of Science website (www.scacadscience.org) or contact Dr. Tom Reeves reevest@midlandstech.edu (telephone 803-822-3554)

SCJAS Winter Workshop 2010 Saturday, January 30, 2010
South Carolina State Museum, Columbia, S.C.
